

Tax Investigation fee protection

Businesses never know when HMRC may come calling.

With Irwell's legal expenses they can be better prepared.

Investigations can be costly, complex, time-consuming and overwhelming.

Legal fees can soon add up

HMRC investigations are carried out at random and clients will get little warning to gather all the relevant information and paperwork that needs to be shared during the investigation.

Should a dispute arise, the unexpected costs can quickly escalate.

Our legal expenses include access to a **FREE LEGAL HELPLINE** provided by our partners at Irwell Law.
